SALARY INCREASE FOR UNIVERSITY, INSTITUTE PERSONNEL

The Council of Ministers has issued a resolution concerning a salary increase for the faculties and scientific and technical auxiliary personnel of universities and colleges, and scientific and auxiliary staffs of scientific institutes.

According to the resolution, the basic salaries of scientific workers of institutes are increased by 7.5 percent. The resolution also introduces a uniform salary system applicable to scientific institutes and industrial research institutes.

The basic salaries of university faculty members are increased by an average of 14.5 percent, those of college faculty members 10 percent, and those of university and college scientific and technical auxiliary personnel by an average of 9.4 percent. Thus, the salary of an associate university professor increases from 1,534 to 1,850 forints on the average; that of a lecturer at a university, from 1,770 to 2,250 forints monthly; and that of the heads of faculties, to 2,500 forints monthly.

Payment for overtime work is discontinued for teaching personnel, but the number and money value of awards for teaching and scientific work have been increased.
